

Bridge Disability Ministries 2014 Annual Report

I am honored to present Bridge Disability Ministries' 2014 Annual Report...

Our Mission

Because Bridge Disability Ministries honors the God-given dignity of people with disabilities, we build relationships to alleviate isolation and enrich our churches and communities.

2014 was marked by great change and transition in the organization. My primary focus, when I came on board with Bridge in the beginning of 2014, was to make sure we continue to build on what was started before us and maintain Bridge's upward trajectory in its different ministries. To this end, here are our 2014 highlights:

- Twelve (12) monthly spiritual connection dinner events & celebrations in collaboration with local churches, including a dance & Christmas party
- Ten (10) monthly peer support/bible study group meetings for our friends with physical disabilities
- Forty (40) indigent guardianship clients received financial, medical, recreational and residential oversight and support
- Over \$2 million worth of medical equipment distributed to those in need
- Purchase of UV disinfection system for our Meyer Medical Equipment Center
- Long overdue upgrade of our network servers and cloud-based file storage
- Partnerships with Snoqualmie Hospital, Mount Si Senior Center and Valley Medical Center as additional medical equipment distribution centers

This year, among other things, we aim to work more collaboratively with our faith communities to create and further a more intentionally inclusive and welcoming environment for people living with physical and developmental disabilities and their families.

Our Meyer Medical Equipment Center continues to grow at an incredible pace. Currently, we are on track to distribute almost \$3 million in medical equipment.

Our guardianship ministry is made more robust by the hiring of another certified professional guardian. We are aware of the critical role we play in the lives of our most vulnerable friends and hold dear the special trust that they place in us.

The accomplishments highlighted within this annual report are as much yours as they are Bridge's – without you, none of this would have been possible. There is truly no way to fully express what your support and investment mean to Bridge. Indeed, your interest and participation strengthens our community in so many ways. We are grateful for your gifts, hold you always in love and prayer and ask that you continue to keep us in yours.

With much appreciation & gratitude,

Brenne Schario, Executive Director
